The "Mischief Quartette" and It's Work.

Each year the month of January numbers its list of victims from influenza, la grippe, bronchitis and pneumonia. La grippe coughs seriously weaken the system and when they hang on, are a sign of general debility. The use of Foley's Honey and Tar Compound will promptly check the cough, heal the inflamed air passages, preventing the development of la grippe to a most serious condition. Keep it on hand. Contains no opiates. J. C. Perry.

A high authority says extreme devotees of fashion are defective. That is no news to sensible people.

Colds to Be Taken Seriously.

Intelligent people realize that common colds should be treated promptly. If there is sneezing, with chilliness and hoarseness, tickling throat and coughing, the latter especially annoying at bed time, use Foley's Honey and Tar Compound. It is effective, pleasant to take, checks a cold, stops the cough which causes loss of sleep, and lowers the vital resistance to disease. Remember the name, Foley's Honey and Tar Compound and avoid substitutes. J. C. Perry.

The big bills passed by the Democrats may be excellent, but the big crops are even better.

Women and Wet Feet.

Cold and wet feet are a dangerous combination especially to women, who are more prone to kidney diseases than men. Congested kidneys come from a cold, and backache, rheumatism, urinary irregularities and rheumatic forms are not unusual results. Foley's Kidney Pills restore the regular and normal action of the kidneys and bladder, and so remove the cause of the trouble. It is an honest and curative medicine that always gives results. J. C. Perry.

Some surgeons manage to carve out big fortunes.

M. D. Reynolds says:—

This is to certify that have been a great sufferer from Rheumatism since 1894. Contracted the disease while working with a snow plow on the railroad. For several years I have been obliged to use crutches a great part of the time. Having used three boxes of the Meritol Rheumatism Powders, I have thrown away the crutches and am now almost fully recovered. It certainly has done wonders for me and I heartily recommend it. M. D. A Difference in Working Hours.

A man's working day is 8 hours. His body organs must work perfectly 24 hours to keep him fit for 8 hours work. Weak, sore, inactive kidneys can not do it. They must be sound and healthily active all the time. Foley Kidney Pills will make them sound and well. You can not take them into your system without good results following their use. They are tonic in action, quick in results, and contain no habit forming drugs. Try them. J. C. Perry.

No family with children should be without it as it gives almost immediate relief in cases of croup."
